

**2007 VRPA DISCOUNT TICKET ORDER FORM**

This year, the Vermont Recreation and Parks Association is offering discount tickets to the **Great Escape (Glens Falls, NY) and Six Flags New England (Agawam, MA)**. People will save a significant amount of money and time at the gate by purchasing their tickets through this program. The ticket prices for the upcoming 2007 summer season will be:

	<b>VRPA PRICE</b>	<b>GATE PRICE</b>
<b>Great Escape Adult</b> (over 48")	\$24.00	\$39.99 plus tax
<b>Great Escape Junior</b> (age 3 to 48") Children 2 and under are free.	Junior consignment tickets no longer available	\$24.99 plus tax
<b>Six Flags New England Adult</b> (over 54")	\$27.00	\$49.99
<b>Six Flags New England Junior</b> (36" - 54") Children under 36" tall are free.	Junior consignment tickets not available	\$29.99

Throughout Vermont, local park and recreation departments, organizations and associations partner with VRPA, to provide these deeply discounted tickets to their customers. This is a consignment program, with no up-front financial commitment. Many communities accept cash or money order payment only to minimize their liability. **VRPA will accept cash, money orders, or a check from the municipality/organization only.** Tickets are distributed at the VRPA Annual Meeting in May or mailed to those not present. Throughout the summer, our ticket partners will be sent a reminder to make a payment for the tickets that you have sold up to that point. This is important for two reasons, (1) we have to make regular payments to the amusement parks throughout the summer and we need your money to pay them and (2) it helps you to keep your accounting up to date and makes the end of the season close-out a lot easier. At the end of the season, you will need to mail the remaining money along with all unsold tickets. You have nothing to lose. Whatever tickets you don't sell you simply return.

Please fill out the information below and send it back with the number of tickets you wish.
