

2019 Annual Meeting

Vermont Recreation & Parks Association

Thursday, May 16, 2019

Green Mountain Club, Waterbury Center

We gather each May to celebrate our accomplishments of the previous year, prepare for the summer's activities, and recognize some of the people who have made significant contributions to the association and to recreation across Vermont. The Annual Meeting is a great opportunity to network with your recreation colleagues. We hope you will join us!

Gearing Up for Summer – Generational Differences in the Workplace

Presenter:

Deb Allen, Professional Trainer & Workplace Coach

Working with and managing people from multiple generations effectively may require thinking about things a little differently. Deb Allen will be facilitating a discussion of the different generational cohorts, and the differences and similarities between them when they show up at work. Anyone who is a manager or a program director will find the presentation informative, interesting, and grounded in practical knowledge. Deb will be presenting and leading the conversation for 75 minutes and leaving time at the end for questions and answers.

Education Program #2 (0.1 CEU)

The Barnes Camp Boardwalk

Presenters:

Aaron Jacobs, Park Manager, Smugglers Notch State Park
Ira Sollace & Cindy Griffith, Green Mtn. Club Volunteers

After learning a bit about the historic Barnes Camp and fully accessible boardwalk completed last year by Josh Ryan and Timber & Stone, LLC, we will be taking a 1.5-mile hike along Vermont's new favorite loop trail, made possible by the new boardwalk and trail relocation. This trail provides a little bit of everything with beautiful views of Smugglers Notch, a walk across marshland up to a beaver dam, a short stream crossing, a small steep section and a nice downhill walk back to the Barnes Camp. *Plan to wear appropriate hiking gear & footwear as we could encounter snow.*

\$45 - VRPA members & non-members welcome.
