This is a consignment program, with no up-front financial commitment. **VRPA will accept money orders, a check from the partner organization, or cash if hand-delivered; no personal checks made out to VRPA please!** Tickets will be distributed at the VRPA Annual Meeting on May 13th or mailed out shortly after the meeting. Throughout the summer, you will be sent a reminder to make a payment for the tickets that you have sold up to that point. This is important because, (1) we need to make payments to the parks as tickets are redeemed and (2) it helps you to keep your accounting up to date and makes the end of the season a lot easier for you (trust me!). Just after Labor Day, you will need to mail the remaining money **along with ALL unsold tickets**. Whatever tickets you don't sell you simply return. You DO NEED to be very careful about keeping track of the tickets; any misplaced tickets must be paid for.
