An Invitation to the Vermont Maintenance Workshop

The Vermont Recreation and Parks Association, in partnership with the New England Sports Turf Managers Association and New England Park Association invite you to attend the 2022 Maintenance Workshop.

The entire morning is dedicated to hands-on educational sessions, site visits, vendors and equipment demos. After the morning sessions we will break for lunch followed by several roundtable discussions. Meet people from around the region who work in park and school settings. Attendees will walk away with specific resources and tools to apply within your organization and community.

The workshop will be held rain or shine. Please check the weather and plan to dress appropriately.
