

Job Announcement: Field Research Interviewer

National Visitor Use Monitoring Program

- Job Title:** Social Science Field Research Interviewer
- Description:** Conducting on-site face-to-face survey interviews with visitors throughout the Green Mountain & Finger Lakes National Forests. The National Visitor Use Monitoring program has two concurrent goals. First, to produce estimates of the volume of recreation visitation to National Forests. Second, to produce descriptive information about that visitation, including activity participation, demographics, visit duration, measures of satisfaction, and trip spending connected to the visit. [See here for more information.](#)
- Location(s):** National Forest visitors will be intercepted and surveyed at various locations and site types throughout the entire Green Mountain & FL National Forests.
- Dates:** October 1, 2019 - September 30, 2020
- Employer:** The University of New Hampshire
- Amenities:** In-depth trainings and access to overnight accommodations will be provided as well as uniforms and data collection equipment and signage.
- Wages:** \$20 per hour
- Hours:** Approximately 8 hours per day; 1-3 days per week based on seasonality.
*Note: Shifts will take place on both weekends and weekdays.
- Qualifications:** Responsible individual with polite, courteous, and friendly demeanor. Excellent interpersonal skills and knowledge and skill in written/oral communication. Ability to conduct verbal interviews, follow directions, read maps, use tablet computers, drive long distances in varied terrain, and work independently in remote locations without direct supervision. Willingness to work in all weather conditions. Preference given to individuals who can commit to the entire study period. Must be at least 20 years of age and able to pass an in-depth background check.
- Contact Information:** If interested please email a brief bio, resume, and contact information to Dr. Michael Ferguson (Michael.Ferguson@unh.edu).
