the path forward

**SUMMERAMA
2021**

Staff Training to the Next Level...

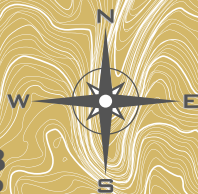

A camp-specific training program for new and seasoned staff. Supplement in-house counselor orientation with a robust schedule of hands-on education sessions led by regional camp professionals.

Covering Important Camp Topics...

With a mix of interactive material suited for all experience levels, every member of your staff can customize the training with selections that pique their interest - hand delivered by experts in the field!

Lasting Benefits...

Summerama is the first step in developing resilient staff and a strong team bond. Your staff will leave feeling empowered and eager to kick off a stellar season!
